The Texas Lone Star list is a recommended reading list developed by public and school librarians from the Young Adult Round Table. The purpose of the list is to encourage students in grades 6, 7, or 8 to explore a variety of current books. The Lone Star list is intended for recreational reading, not to support a specific curriculum. Due to the diversity of this age range, Texas librarians should purchase titles on this list according to their individual collection policies. The annotated 2013 Lone Star Reading List, past Lone Star Reading selections, and additional resources are available at: <http://www.txla.org/groups/lone-star>.
